

Maine

After holding steady at 15 percent in 2004 and 2009, the percentage of Maine children participating in an afterschool program rose to 18 percent in 2014. Additionally, while below the national average in overall parent satisfaction with their child's afterschool program, Maine has made gains in this area, increasing from 84 percent of parents satisfied with their child's afterschool program overall in 2009 to 87 percent in 2014.

Children in Afterschool

Afterschool program participation in Maine

33,387 children in 2014

Participation in afterschool programs has steadily increased over the past decade. In 2014, 10.2 million children are in afterschool programs, up from 8.4 million in 2009 and 6.5 million in 2004.
