

The District of Columbia After 3PM: *Kids on the Move*

Afterschool programs play an important role in improving the health and wellness of our nation's students. In The District of Columbia, 26,619 children participate in an afterschool program—and 32,436 more children would be enrolled in a program if one were available to them. The District of Columbia After 3PM: Kids on the Move, highlights some of the ways afterschool programs support families and students across the state—from offering kids healthy foods and opportunities to be physically active to helping parents keep their jobs.

ABOUT THE SURVEY

The percentages and projected numbers of children and families in America After 3PM are based on survey responses from parents. The Afterschool Alliance contracted with Shugoll Research to collect the data. Nationally, 30,720 households were screened, and 13,709 households completed in-depth interviews via an online survey using a blend of national consumer panels. At least 200 households completed interviews in every state and the District of Columbia, between Feb. 28 and April 17, 2014. In the District of Columbia, 200 households and 342 children were screened for this study. According to the Department of Education, National Center for Education Statistics data for 2011-2012, the total school enrollment in the District of Columbia is 75,839, which is the foundation for all statewide projections in District of Columbia After 3PM.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
