

Wyoming

Wyoming's afterschool participation rate decreased from 2009 to 2014, and at 15 percent, is currently below the national average. And while approximately 2 in 3 Wyoming parents are satisfied with their child's afterschool program overall, this number decreased from 77 percent in 2009. Unmet demand for afterschool programs also increased, jumping from 28 percent in 2009 to 45 percent in 2014, as did support for public funding of afterschool programs, from 74 percent in 2009 to 85 percent in 2014.
