ABOUT THE SURVEY

The percentages and projected numbers of children and families in *America After 3PM* are based on survey responses from parents. The Afterschool Alliance contracted with Shugoll Research to collect the data. Nationally, 30,720 households were screened, and 13,709 households completed in-depth interviews via an online survey using a blend of national consumer panels. At least 200 households completed interviews in every state and the District of Columbia, between Feb. 28 and April 17, 2014. In New Mexico, 200 households and 352 children were screened for this study. According to the Department of Education, National Center for Education Statistics data for 2011-2012, the total school enrollment in New Mexico is 345,566, which is the foundation for all statewide projections in New Mexico After 3PM.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
