

Oklahoma

Although Oklahoma's afterschool program participation slipped slightly from 12 percent in 2009 to 11 percent in 2014, the state made gains in parent satisfaction with their child's afterschool program. In 2014, a higher percentage of Oklahoma parents are satisfied with their child's afterschool program overall when compared to 2009 (94 percent vs. 81 percent), its quality of care (88 percent vs. 74 percent), the variety of activities (88 percent vs. 68 percent) and the program cost (81 percent vs. 69 percent).
